PITTSBURGH – County Executive Rich Fitzgerald submitted four bills to County Council for consideration at its upcoming meeting:

- Resolution amending the 2008 Capital Budget for Allegheny County which included a line item of \$2,680,000 for matching funds for projects for which the Allegheny County Parks Foundation has pledged to secure grants from non-County sources; the Parks Foundation has secured grants from non-County sources in the amount of \$500,000 for improvements to the South Park Fairgrounds Oval, this amendment allows for the receipt of the matching grant funds
- Resolution amending the 2011 Capital Budget for Allegheny County which included a project to purchase a criminal case management database system for the District Attorney's Office; since the budget's adoption, the Office has received additional funding for computer hardware related to the system
- Resolution amending the 2014 Capital Budget for Allegheny County which included several parks projects partially funded by the Allegheny Regional Asset District (ARAD); since the budget's adoption, ARAD confirmed its funding amounts for the projects and so the budget is being amended to accurately reflect that funding
