

# RAMP UP

## Resources Available for Military Personnel to Upgrade Proficiencies

What is RAMP UP: **RAMP UP** is Allegheny County's new initiative to give veterans and military personnel the opportunity to learn how to become a certified HVAC and Weatherization contractor, how to apply to be a certified weatherization auditor or worker, provide information on how to qualify for a grant to have their home weatherized and learn about other programs specifically designed to assist in making them productive citizens.
