

THE INSIDE STORY

Wilkesburg Building Rededicated for Homeless Housing & Programs

In March 2007, Allegheny County Executive Dan Onorato, Wilkesburg Mayor John Thompson and Reverend Marcus Harvey of Strength Inc. rededicated the Generations Building at a ribbon-cutting ceremony along Wood Street in Wilkesburg. The four-story building has been renovated into 15 single-room housing units for the homeless.

The Generations Building also includes a community room, access to human service resources, and commercial space. Strength Inc. has offices across Wood Street from the Generations Building and provides housing, referrals to substance abuse treatment, educational, and employment services. Strength Inc. purchased the Generations Building and began renovations in early 2006.
